

Our college takes necessary steps for inculcating human and social values in to the students and teachers. Our motto is not competent our students with curricular activities but also to sensitize them with human values by organizing different social activities.

1. A rally was organized by our students on AIDS awareness

2. Ever year our college organizes Blood donation camp where students, teachers and people of the area voluntarily donate their blood for the sake of society.

3. Students and teachers collectively doing plantation.

4. NSS camp was organized and volunteer students actively participated for social works.

5. With the local women, our girl students march for “Mada Mukti Abhiyan” (Anti Alcohol Addiction Campaign) and Anti Drugs Addiction Campaign.
