

In every year our college has been organising Foundation Day, Annual function Day and Annual Sport Day in which students from both gender get ample privileges to show up their hidden qualities by participating in different events. After the end of the meeting students are awarded. Here is Some award ceremony photos. During this cultural and sport event different charges are distributed among the students for the smooth functioning of the events. By taking the different duties, our students learn communication skill by interacting each other and develop their leader qualities.

For the development of soft skill our college also gives sufficient opportunities to our students to proof themselves outside the campus. Some photos of award ceremony at Bamara College, Bamara during the inter college dance and song competitions. The girl students of our college got prize for best performance in dance competition.

During NSS camp our students interact with the villagers, doing social activities. It not only develops their communication skill to deal with others but also enhances their leadership quality that will be helpful for the betterment of the society.

With the collaboration of NSS, Red Cross society organized a blood donation camp. Students, teachers and native villagers participate in this event and donated blood for the sake of the society.
