"Role of Education in Women Empowerment"
Empowerment of women leads to development of
good family, good society and ultimately good
nation.

Dr. J.P.T Abdul Kalam.

Women empowerment is make up of the word.
Women empowerment stands for giving an
authority and power to women.

It mainly refers to practice of making women
Independent so that they can make own
decision in their life as well as they can handle
without any restriction.

The main motive of women empowerment is to help
stand equal with men, a giving women the
ability to live a happy and respectful life
in a society.

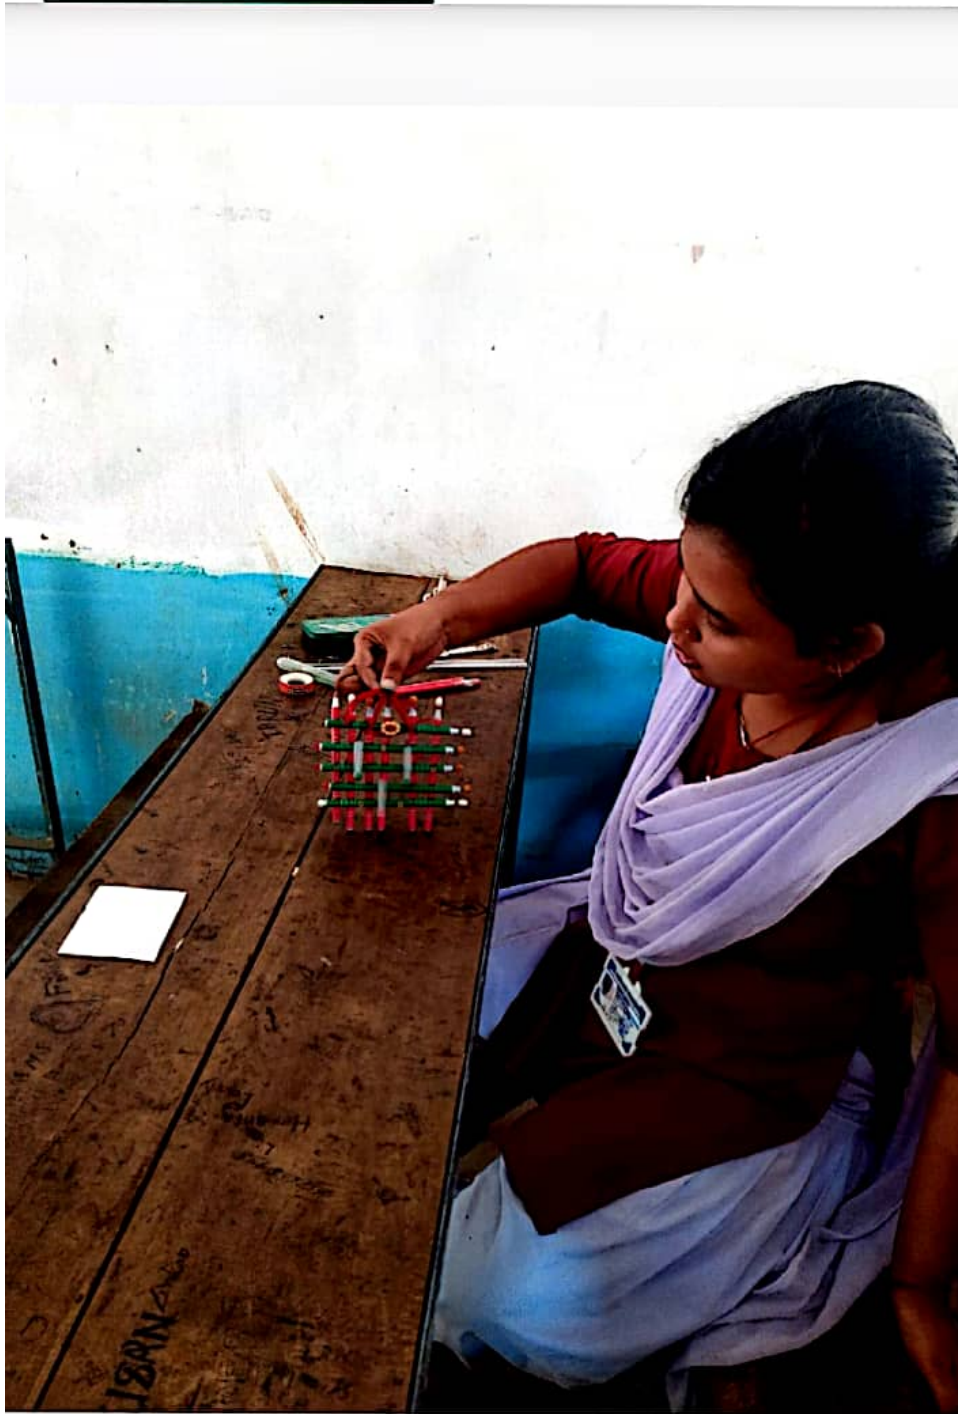

women are empower when they have unrestricted
profession and educated and life style.

Empowering women is the most important
factor.

women are the one real builder of a happy
home. women can make take care of their
