

Sports

The college promotes student participation in various outdoor and indoor games. Students are encouraged to participate in games and sports activities, which include cricket, football, Hockey etc. There are plans to expand the number of games and activities to include basket Ball and Table tennis. Participation of students in these activities equips them to sharpen their competitive skills and develop team spirit. Physical Educationp Teacher (PET) helps the students in developing their interest in the games and enhancing their participation standards. A cricket cum sports field is also available on the campus.

The Inter Class (classes of different programme) Tournaments have been organized within the campus that has not only created the interest among the students but also prepared them for the competitions at the different levels. Apart from these, the college also organizes Sports and Cultural Festival “**Annual Athletic Meet**” every year.

Sports Infrastructure

- Playground: there is a college playground for outdoor games like cricket, football, Hockey and different Athletic games.
- Yoga: Apart from the games and sports regular Yoga classes are conducted in the campus to develop the spirit of meditation among the students. By practicing yoga the students will learn about the spiritual and moral values of life.

The Department of Sports has the following facilities:

- Cricket Ground
- Football Ground
- Tracks & Field for various athletic events
- Indoor games like Chess, Carrom etc.
- An outdoor sports complex

In near future we have also planned to construct a basket ball court inside the campus.
